

## DAAD Turkey Webinar Series Fall/Winter 2017 „German Universities at a Glance“

### **Webinar: RWTH Engineering Winter and Summer School Program**

Webinar Registration: <https://attendee.gotowebinar.com/register/173290015427939843>

**Date: October 19th, 2017**

**Time: 5 pm (Turkey Time)**

### **RWTH International Academy, RWTH Aachen University**

Are you interested in participating in an Engineering Winter or Summer School program at the elite RWTH Aachen University in Germany?

RWTH Aachen's Winter and Summer School courses offered by RWTH International Academy are uniquely designed for international students who want to gain insight into one of Germany's Universities of Excellence.

The RWTH International Academy works closely together with various Institutes of the RWTH Aachen University, the International Office and the Language Centre to offer international students a perfect mix of technical and practical knowledge as well as cultural experiences.

Join us for our webinar to find out more about our program and how to become part of this unforgettable experience.
