

The possible routes to METU from the airport

1. If you take a taxi from the airport, it will cost around 130 liras. If you choose this option say "ODTÜ, lütfen" (METU, please) to the driver.
2. Another option is to take BELKOAIR or HAVAŞ, the bus services from the airport. It costs 11-14 Turkish Liras. From there you can go to Kızılay (city center) or AŞTİ (Ankara Şehirler Arası Otobüs Terminali: The main intercity bus station of Ankara).
 - a. If you go to Kızılay with Belkoair, ask for ODTÜ dolmuşu (dolmuş/dolmush is the bus that you pay in cash to the driver, they are small busses with blue color) in Güvenpark (it is the main dolmuş stop in Kızılay). (Dolmuş costs around 3 Turkish Liras).
 - b. If you go to AŞTİ with Belkoair, taking a taxi from there costs around 20-25 liras to METU.
 - i. From AŞTİ to METU, you can take dolmuş as well, but from AŞTİ you have to walk a little bit to ARMADA (it is a shopping mall, a tall building in front of which passes lots of dolmuş). Also, you can ask to people to show you where Armada is, and walk around 5-10 minutes there to take an ODTÜ dolmuş.

In either case, be careful that you take the ODTÜ dolmuş, others will lead you to someplace else, obviously.

When you enter the campus with dolmuş or taxi (or on foot), the security will ask you to show your METU ID cards. Since you don't have them at the moment say that you are an Erasmus student. ("Erasmus öğrencisiyim.") and they will let you pass.

Please contact your host as you arrive at the airport or enter the campus.

Take care and have a safe trip!
