**Please be careful that the list of the partner institutions can be updated during the application period !!!**

**\* These are the requirements established by Higher Education Council (YÖK). Please note that all students must check the websites of the universities to learn more about their further requirements.**

**\* Please make sure that there is a department (or at least courses) at the partner university corresponding to your department and level at METU. Students must be sure that the university they applied to offers education on their level and in a relevant department. Availability of a university in the application list does not imply that the said university offers education in all the departments and on all levels of education. The fact that you are given the chance to apply for such universities does not guarantee that the university accepts you.**
