Dear colleagues,

The University of Vienna celebrates its 650th anniversary this year! We intend to open the doors of the University of Vienna to the world and therefore we are happy to invite you to our 4th International Staff Week!

This training week is aimed at colleagues involved in internationalisation processes at their home institution with a focus on student exchange. We are looking forward to having fruitful discussions and exchange of experiences and best practices on the following topic:

**Erasmus+: Challenges and Opportunities**

For plenary sessions with lively discussions we would like you to prepare a short presentation about the situation at your home institution, please choose one of the topics listed in the application form for a short input.

Besides presentations, plenary sessions and discussion, the staff week’s programme will consist of the following activities:

- Tour through the university’s main building
- Occasion of visiting departments/faculties
- City walking tour
- Visit to a typical Austrian wine tavern “Heuriger”

If you wish to extend your stay in Vienna, on the subsequent weekend (June 12th-14th) there is the opportunity to join the Campus Festival, which is part of the 650th anniversary celebration. This three-day event offers an interactive exhibition and presentation of the university’s outstanding researchers and service facilities. It also offers a wide range of culinary and musical programme.

We would ask to express your interest by filling out the application form by March 31st at the latest: [https://international.univie.ac.at/home/staffweek/](https://international.univie.ac.at/home/staffweek/)

Please note that we can only accept a maximum number of 15 participants. We will send you a confirmation of acceptance and a more detailed agenda mid-April.
