Placement Process

- Overall Point is calculated according to the below formula for all the students:

%50 English score + %50 CGPA with Departmental weight

Departmental weighted CGPA: Each student has a weighted CGPA point by comparing all the CGPAs in the same semester and department.

SAMPLE	
Student CPGA:	3.15
Average CGPA in the department:	2.89
Ratio:	$3.15 / 2.89 = 1.09$
Multiplying Coefficient = $25^* + \text{Ratio}$	$25 + 1.09 = 26.09$
Overall point = Student CPGA x Multiplying Coefficient	$3.15 \times 26.09 = 82.18$
* %50 ortalama almak için kullanılan not dönüştürme katsayısı = 25 (sabit katsayı)	

- Students are placed to their choices according to their overall scores, starting from the highest overall to least one.

- Choice ranking is taken into consideration in the placement process.
- For agreements, the initiator department's students are prioritized. Some agreement can also have study level prioritizations (UG/MS/PhD). You can see further details about the agreement in the website. The list will be updated before the start of the application period on 12.02.2024:
<http://ico.metu.edu.tr/erasmus-eu-agreements-0>
