## ABOUT ANKARA

Ankara has been the capital of Türkiye since October 13, 1923. The city center of Ankara is the second most crowded area of Türkiye and among the first 40 of the world. It can be considered as the heart of Türkiye due to its proximity to Türkiye's geographical center and its function in Türkiye's progress. On the other hand, Ankara is one of the places in Türkiye where on which several civilizations in history lived, such as the Hittites, Phrygians, Lydians, and Persians. Ankara is famous with its very own breed of cat (Turkish Angora with one blue and one green eye), angora goat, rabbit, pear, honey, and its grape called "Misket Üzüümü".

Ankara's annual average precipitation is fairly low at 415 mm (16 in), nevertheless has rains fall during the whole year. The monthly mean temperature ranges from 23.6 °C in July to 1°C in January, with an annual mean of 11.7 °C. Average highest temperature is measured generally in July and August with 30.3 °C and the average lowest temperature is measured generally in January and February with -3 °C.

## ABOUT METU

As a leading international research university, Middle East Technical University (METU) ([www.metu.edu.tr](http://www.metu.edu.tr)) was founded under the name of "Orta Doğu İleri Teknoloji Enstitüsü" (Middle East High Technology Institute) on November 15th, 1956 to contribute to the development of Türkiye and Middle East countries and especially to train people so as to create a skilled workforce in the fields of natural and social sciences. METU's presence brought about new methods and introduced innovations to the Turkish higher education system manifesting METU as a pioneer of innovative education nationwide.

In 1956, the first academic program to initiate education was the Department of Architecture. Then in the spring semester of 1957, the Department of Mechanical Engineering launched its academic program. At the onset of 1957-1958 Academic Year, the Faculty of Architecture, Faculty of Engineering and Faculty of Administrative Sciences were established. In 1959, the tasks undertaken to establish the Faculty of Arts and Sciences were completed. The Faculty of Education launched its academic programs in 1982.

Today, METU has 3 campuses with the Ankara campus covering 45<sup>km<sup>2</sup></sup> of land. ## ARRIVAL

Depending on your flight, you may have to go through PASSPORT CONTROL and CUSTOMS INSPECTION in Istanbul or Ankara. If you go through customs in Istanbul, you will need to transfer from International Flights Terminal to Domestic Flights Terminal. Please ask before you exit. Airport personnel can direct you to the domestic flights terminal when requested. Check the direction signs.

You may need to exchange some of your foreign currency for Turkish Lira as soon as you arrive in Türkiye. Bank windows are available in both airports immediately before or after passport control. Exchanging money also can be done at the PTT, open 24 hours, at both airports. METU campus also houses a number of banks where currency exchange might be possible.

### 1. How to Come to METU Campus from Ankara Esenboga Airport

Ankara International Airport (Esenboğa) is about 35-40 km away from METU Campus. From Ankara airport to city center, means of transportation are below (e.g. taxi or airport shuttle buses called HAVAS or BELKO).

## 1.1. Taxi

If you wish to take a taxi the whole way, metered taxis are available from the airport to the city. In Ankara Esenboga Airport, there is taxi service for passenger transport 24 hours a day. More information can be found at: <https://esenbogaairport.com/en-EN/to-from-the-airport/airport-transportation/page/taxi>

Contact:

Tel: +90 (312) 398 0000/ext. 1258

Tel: +90 (312) 398 08 9798

One way taxi fares to central locations in the city are approximately 25-30 Euros (e.g. from the airport your hotel) and the ride will take around 30 minutes. By law, all taxis in Türkiye are metered. You pay what is on the meter; tipping is optional. If you use the airport shuttle service, from the drop off location, as drivers usually do not speak English, you should have your destination address on a paper to show the driver.

## 1.2. Airport Shuttle Buses

If you want to take shuttle buses from the Airport, we suggest you to get off at ASTI Coach Station (Main Bus Station from where the local buses for other cities leave). If you get off at ASTI Coach Station, you may want to take a taxi to METU Campus, which is about 3-4 km away from ASTI. Taxi fares from ASTI are approximately 100 TL. There are two shuttles that you can use:

### a. HAVAS Buses (more recommended)

### b. BelkoAir Buses

Services between airport and the city terminal are scheduled according to the arrival times of domestic and international flights. In general, the buses offer services every 30 minutes from 05:00 a.m to 00:00; and every 60 minutes from 00:00 to 05.00 a.m. It gets approximately 45 minutes to arrive in ASTI Coach Station. (It may change depending the traffic and weather conditions). The ticket fees of the services are around 30-40 Turkish Liras (VAT incl.).

## **2. How to come to METU Campus**

METU is located about 7 kilometers from the center of the city. Transportation to and from METU campus is frequent and convenient. City buses (EGO buses), HALK buses and private minibuses (Dolmuş) have regular services from Kızılay (Güvenpark), Ulus (opposite the Radisson SAS Hotel and across from Gençlik Park) and Ayrancı (Portakalçiçeği Sokak) to METU campus.

Bus cards are required for EGO city buses and must be purchased before boarding the bus. City bus cards are in unit format. You can buy one-, ten- or twenty-unit cards. There are EGO booths at Kızılay and Ulus near the bus stops and on the main boulevard (Atatürk Boulevard) and at the Magazine Shop around dormitories area where you can purchase bus cards. You have to buy a ticket on the buses for HALK and double-decker buses. But you have to pay the driver the fare in cash on the “Dolmuş” (minibus transportation).

It is also possible to reach the campus easily in 10-15 minutes by taxi from the hotels that METU ICO recommends and taxis can be asked by the Hotel Reception desks.

## **3. Campus Transportation**
